PROFILE SUMMARY

Motivated and results-driven Python Full Stack Developer with a BE in Computer Engineering, possessing hands-on experience in developing dynamic web applications. Proficient in leveraging Python and front-end technologies like HTML, CSS, JavaScript, and React to build responsive and scalable applications. Skilled in designing and managing databases using SQL databases, with a strong focus on optimizing performance and enhancing user experience. Demonstrated ability to collaborate in teams and implement software solutions that meet project requirements. Eager to apply problem-solving skills and technical expertise to deliver innovative solutions and contribute to the success of software development projects.

TECHNICAL SKILLS AND TECHNOLOGIES

Python | SQL | MySQL | Django | React.js| JavaScript | HTML/CSS | Bootstrap |Material-ui | Git |
| Software Development Lifecycle (SDLC) |

HIGHLIGHTED PROJECTS

- **Django E-commerce Website with SQL and Bootstrap :**
  Developed a dynamic e-commerce platform using Django, incorporating responsive design principles with Bootstrap for an optimal user experience across devices. Integrated SQL databases for efficient data management and optimized queries to ensure high performance. Key features include user authentication, comprehensive product catalog management, and secure transactions. Leveraged Django's robust framework and Bootstrap's versatile components to create a seamless, user-friendly shopping environment.

- **Job Portal Website Using Django :**
  Engineered a comprehensive job portal using Django, facilitating efficient job searches and streamlined application processes. Integrated SQL databases for robust data management, ensuring quick and accurate retrieval of job listings and user profiles. Employed Bootstrap to design a responsive and user-friendly interface, enhancing the overall user experience across various devices.

ACADEMIC QUALIFICATIONS

- **Bachelor in Computer Engineering**–Vishwabharti Academy's College Of Engineering , Ahmednager (SPPU) – **CGPA: 6.48** *Nov 2021 – Oct 2024*

- **Diploma in Computer Engineering** –Ashok Institute Of Engineering and Technology (polytechnic) Ahmednager.(MSBTE) -**79.43%** *Aug 2019 – Oct 2021*

- **Higher Secondary Certificate (HSC)** – Science – (SPPU) -**50.15%** *Jun 2017 – May 2019*

- **Secondary School Certificate (SSC)** – (SPPU) -**75.80%** *May 2016 – Mar 2017*

CERTIFICATIONS & WORKSHOPS

- **Full Stack Python Development** *Jul 2024 – Present*
  ITVedant Pimpri
- **Web Development Intrenship** *Oct 2023*
  Codsoft organization
- **Certification in Full stak Programming** *Jan 2023 – Jun 2023*
  Apna College
- **SQL (Advance) Certification** *Nov 2024*
